The College will ensure that all applications for the Bursary and Hardship Fund are considered on the same basis, irrespective of age, race, ethnicity, religion, disability, gender, marital status, sexual orientation, belief or faith.

This policy applies to all students on HE programmes of study, subject to meeting eligibility criteria, as detailed in this policy, and as required by the funding bodies.

Introduction

Myerscough College and University Centre – Higher Education Bursary Fund

The Myerscough College and University Centre HE Bursary Fund is open to students from low income households who are not in receipt of a scholarship. Successful applicants will be awarded a bursary, bursaries will vary and will be tailored to those in greatest need, the maximum award will be £1,500 (pro-rata amount for part time students studying a minimum of 25% intensity of the full time equivalent). Students will be able to select how they would like the funds to be allocated through a financial bursary and/or discounted accommodation, course equipment, food and travel or other similar institutional services. However, for students in accommodation, priority will be given to payments towards outstanding costs. Bursaries will be targeted at students from low income households with a declared income of less than £25,000 to ensure students with the greatest need receive the maximum award. If students are experiencing financial hardship following receipt of a HE Bursary award they may apply to the HE Hardship Fund, this fund also supports IT course related costs. Students will be asked to provide evidence of financial hardship.

A limited number of bursaries and hardship funds are available and will be awarded to those with the greatest need. Meeting essential eligibility criterion does **not** equate to an entitlement to a bursary. This is a one-year benefit, not a recurrent annual entitlement, annual applications must be submitted.

Students:

- must be enrolled and in attendance at the time of payment on an Undergraduate course.
- must have a declared household income of less than £25,000 (inc benefits) be eligible for the HE low income bursary.
- may apply for more than one bursary award (see below) but will only be awarded one bursary (usually the highest value for which the student is eligible).

Any debt outstanding to the College at the time of Bursary instalments will be deducted from the bursary payment.

Funds are limited therefore eligibility as per the above criteria does not guarantee an award.

Students can also apply for the following bursaries:

- **Care Leavers Bursary** – full time HE students who have been in the care of a local authority for 13 weeks or more: £1,500 bursary for each year of their course.
- **Carers Bursary** – full time HE students who have full time carers responsibility: £1,500 bursary for each year of their course.

- Awards to students will be towards tuition costs, accommodation costs, travel costs, food, books and equipment or other similar institutional services.
- All awards will be on a pro-rata basis for students who start late or finish early.

- Students must comply with the Student Code of Conduct and ensure they attend, behave and complete assignments on time. Payments will be withheld / withdrawn from students who do not comply.
- Any student found to have submitted a fraudulent application will be subject to action under the student disciplinary code.
- Should family circumstances change students are able to submit revised applications, new applications are also permitted. However, it must be stressed that the fund is limited and when it has been fully committed no further allocations will be considered.
- **Higher Education Hardship Fund** - students in receipt of means tested bursary funds who find themselves in financial hardship may apply for additional funds from the hardship fund. Students from the following groups identified in our Access and Participation Plan may also apply to the Hardship Fund, regardless of eligibility for a means tested bursary
 - BAME students

 - Care leavers and carers

Students will be asked to supply evidence through the application process, the **maximum** award is £1,500. Following review by the Finance Team all applications to the Hardship Fund will be approved by the Deputy Principal Finance & Corporate Services.
