MyMyerscough

Welcome to our University Degree Advice Day

I am delighted to welcome you all to our beautiful campus.

Today offers prospective students a great introduction to University Centre Myerscough. It provides an ideal opportunity to learn more about the subjects we offer and the exciting career routes open to our students.

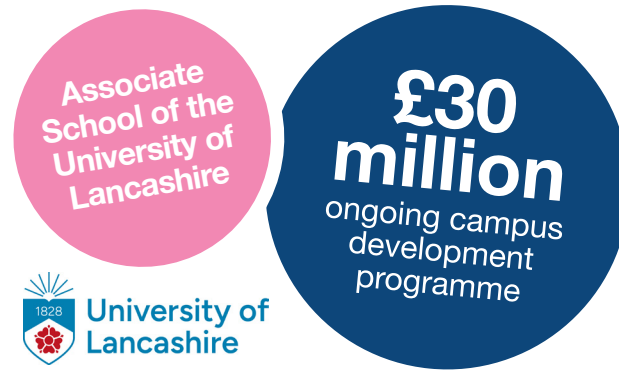

Course tutors are available throughout the event for group talks, individual discussions and displays, as are staff from all our support teams.

If the weather is on our side, I encourage you to have a walk around the campus and take a look at the extensive range of facilities available to our students. Campus maps are included in this programme.

I hope to be able to meet many of you in person today and please feel free to come and say hello if you see me around the campus.

Enjoy your day and we hope to see you back again soon.

Wes Johnson
Chief Executive and Principal

Advice Day Registration

We encourage all students to register online before the Advice Day via the 'What's On' section of our website. However, those that haven't done can still register at the reception desk in our Higher Education Centre. Staff will be available if you have any queries about registering. By registering it allows us to be more efficient and speedy in getting you to the most appropriate subject talks in the correct room! Our reception team comprise staff and current students.

They will provide any course literature that you require and also guide you to the areas for each subject team. It helps us greatly if you could also supply your home address and, if you have one, your current e-mail address. We promise not to bombard you with information or junk mail but we would like to keep you informed of any new course developments and any special events that we host.

Student Services Admissions, Learning Support, Finance and Transport

As well as course tutors from the various subject teaching areas, you can also speak to staff from our Student Services team who are based in Richmonds Restaurant and the adjacent Teaching Block and Student Hub. These include representatives from Admissions and Student Services (Richmonds), Careers Team (Richmonds), Inclusive Learning (Teaching Block), Accommodation (Student Hub), Work Experience & Student Engagement (Richmonds Restaurant), Transport (Teaching Block) and Student Finance (Teaching Block). They will be able to provide information on aspects as diverse as College transport and accommodation, application procedures, course fees, learning support opportunities and student finance.

Welcome Talk

We encourage all visitors to arrive in good time for our University Degrees Welcome Talk based in Higher Education Classroom 8 within our Higher Education Building at 10am.

From here students will be taken to individual areas with activities as highlighted on the adjacent pages.

MyCampus

Accommodation at Myerscough

Our Student Accommodation Team will be on hand in the Student Hub (opposite Richmonds) for advice all morning. There will also be set accommodation tour times. Please see page 3 for more information.

Careers Team

Not sure what your next move is? Why not talk to our Careers Team who are based in Richmonds Restaurant all morning.

Myerscough Catering Services

We have various catering facilities open throughout the day including our fabulous Richmond's Restaurant.

Laboratories

Our Laboratories can be discussed and viewed within subject tours.

Toilets

Both mens and ladies toilets are positioned in the Higher Education Centre. Additional toilets are available in most buildings throughout campus.

University Partnership

Myerscough College and University Centre is an Associate School of the University of Lancashire, a dynamic, vibrant and contemporary university located in Preston city centre. We are proud to work in partnership with them to provide the county's first Veterinary School. Ask us about the benefits of our partnership!

For all the latest news and information...

For all the latest news, student success stories and developments at Myerscough College keep in touch with us. The main College Facebook page can be found by searching for Myerscough College and the main College Twitter feed is @MyerscoughColl. Many of our subject areas also have additional subject specific Facebook and X pages.

Myerscough's higher education programmes rated Silver by Teaching Excellence Framework!

Apply Now!

Applications are now open for all courses for September 2027 entry. You can apply for 'school leaver' college courses online, via the course factsheets on the Myerscough website. All our University Centre degree courses can be applied for via the UCAS Hub website.

**SAVE THE DATE
POPULAR
FAMILY DAY
RETURNING
FOR 2027**

Family Lambing Weekend

**Saturday 6th and
Sunday 7th March 2027**

Come along and visit Myerscough College's Lee Farm, for a family fun day with a difference.

Enjoy the outdoors and watch our farm staff at work, while experiencing the spring excitement of our newborn lambs. We'll have a variety of free children's activities, catering and a selection of trade stands.
